## WORLD NEWS FLASHES

(By Canadian Press)

### U.S. Serves Notice It Will Not Allow Russian Peace Move Disrupt Unity Of Non-Communist Countries

WASHINGTON — United States served notice on the world today it will allow no Russian peace maneuver to disrupt the growing unity of the non-Communist Western powers.

That was the significance seen by diplomatic officials here in State Secretary Acheson's rejection of Premier Stalin's latest declaration of willingness to hold a meeting with President Truman. American diplomats in Western as well as Eastern Europe were expected to make the most of this new and detailed statement of Washington's determination not to make any direct deals with the Soviet Union at the possible expense of other countries.

LONDON—Most of Western Europe agreed today with President Truman's decision not to accept Prime Minister Stalin's newspaper invitation for a meeting behind the iron curtain. A British Foreign Office spokesman said Britain is "in full agreement" with the views expressed by the U.S. secretary of state, Dean Acheson, in turning down the proposal. Some non-Communist British newspapers said Stalin may mean business and the Western Powers have the duty to investigate that possibility.

### COMMONS IN ROW OVER CONFERENCE

OTTAWA—A new attempt was made today in Commons to fix the blame for the failure in the 1945-46 Dominion-Provincial conference. Justice Minister Garson placed the blame on Quebec and Ontario but John Diefenbaker (PC-Lake Centre, Sask.) tossed it back to the shoulders of the federal government.

Garson, who attended the conference as premier of Manitoba, said no two persons contributed more to the failure than Premier Duplessis of Quebec and Premier Drew of Ontario. He said the provinces were asked to rent corporation, personal income and inheritance tax fields to the Dominion in return for subsidies larger than those received under the wartime agreement.

During the conference Quebec never indicated how much rental she would take or if she would take on the provinces' pre-war revenues from all sources.

Diefenbaker said the former air minister, G. C. Power, had objected to federal infringement on the rights of provinces and called for a clear division of taxation rights. Diefenbaker charged that under the doctrine of emergency wartime the federal government had attempted to interfere with the rights of the provinces. It was now doing the same thing under the doctrine of defense needs, Diefenbaker said.

### HUNGARIAN CARDINAL ADMITS ERRORS

BUDAPEST—Josef Cardinal Mindszenty told the Hungarian People's Court today: "I plead partly guilty, having committed the majority of those deeds I am charged with."

Mindszenty and six others are being tried on charges of treason, spying and black market dealing. Mindszenty acknowledged he wrote a letter offering to work for peace between the Communist-dominated Hungarian government and the Roman Catholic Church if his trial was put off.

The cardinal's former secretary, Rev. Ondras Zakar, also pleaded "partly guilty" but said he only followed the orders of his superiors. Mindszenty's offer to work for peace was refused. The letter said the cardinal, head of the Roman Catholic Church in Hungary, admitted "grave errors" in his fight against the state-church government.

The trial opened today before a five-man court in a tiny court room holding only about 100 persons.

### MORE SNOW DIMS POWER OUTLOOK

VANCOUVER—Winter struck another blow at B.C.'s Lower Mainland today—another fall of heavy wet snow.

Eight inches of snow fell on the higher levels with about five inches in downtown Vancouver, where traffic moved over icy streets at a slow pace.

No relief was forecast in the grim power situation and drastic restrictions on the use of electricity were enforced in Greater Vancouver, New Westminster and Fraser Valley districts.

### TEN DIE IN EASTERN AIR CRASHES

QUEBEC—Ten persons were killed in Eastern Canada in two separate plane accidents. In Quebec six died when a St. Lawrence Airways plane plummeted nose down into the airport at Baie De La Trinite shortly after the take-off. Four others were injured.

Four were killed when a plane crashed into the ice of Lake Simcoe, north of Barrie, Ont.

### KNOW TOMORROW IF LIVING DOWN

OTTAWA—Canadians will learn tomorrow whether the cost of living really is on the way down. At 2 p.m. (CST) the Bureau of Statistics will release the cost of living index and disclose whether the official barometer of living expenses actually is on the downward path. The index will cover price trends in the holiday period from December 1 to January 1.

### BELCHER RESIGNS COMMONS SEAT

LONDON—John Belcher, former parliamentary secretary to the Board of Trade, today resigned as Labor Member of Parliament for Sowerby. He earlier had resigned his ministerial office after giving evidence before a tribunal which investigated corruption in government circles.

### MANITOBA IN FAVOR OF DIFFERENTIAL

OTTAWA—The Western provinces will find themselves divided in the next two days before the Board of Transport Commissioners over removal of British Columbia's mountain differential freight rate.

B.C., calling for erasing of the higher rate, will get qualified backing from Alberta, but will run into opposition from Manitoba. B.C. seeks outright and immediate removal of the differential but Manitoba, headed by Premier James G. Bennett, claims the rates should be altered to operating costs—and railways claim mountain costs justify the differential.

### ARGENTINA FINANCIALLY UNSOUND

OTTAWA—The Bank of Canada last night cautioned Canadian manufacturers and exporters against doing business with Argentina "for the next few months."

This followed Tuesday's action by the Argentine Central Bank in temporarily discontinuing granting of foreign exchange for any purpose. Officials here said the Argentine financial structure is not sound.

### WEST TIGHTENS COUNTER BLOCKADE

BERLIN—The Western Powers tightened their counter-blockade against the Russian sector of Berlin today. Western Berlin's German police placed extra patrols at the boundaries.

### I.W.A. WANTS SIX-HOUR DAY

SPOKANE, Wash.—CIO International Woodworkers of America will ask the Northwest Lumber Operators for a six-hour work day in the negotiations expected soon, union leaders said today. Other demands include a general wage increase of 10 cents an hour.

### KING OF GOLF IN GOOD CONDITION

EL PASO, Texas—Ben Hogan, king of United States golfers, suffered a fractured pelvis and a broken arm in an auto collision yesterday. Hospital authorities said at first it was feared he had a broken back but now he is doing fine. The collision between his Cadillac and a bus occurred near Van Horn, Texas, 200 miles southeast of here.

Mrs. Hogan also was hurt. She said Hogan's action in throwing himself in front of her to protect her probably saved his life. In dodging from under the steering wheel, it buried itself in the back seat. She said the bus pulled out coming toward them to pass a truck and they had no chance.

### CITY NOT LIABLE SAYS SOLICITOR

City solicitor E. C. Weddell has informed City Council that in his opinion the city is not liable for damages suffered by several residents when an automobile struck a fire hydrant.

A. W. Hamilton recently sent the city a bill covering water damage to the basement of his home. Several other people in the 800 block on Bernard Avenue also suffered water damage.

Mr. Weddell said there is no negligence on the part of the city or city employees when the water hydrant was broken.

Kelowna, British Columbia, Thursday, February 3, 1949

NUMBER 50

## Life-Line of South Okanagan

The life-line of South Okanagan is at stake as King Winter continues to hold an icy grip on British Columbia. And if the cold spell continues much longer, transportation between Kelowna and the southern part of the valley will be tied up. In the above picture, the M.S. Pendozi can be seen struggling through the ice-covered Lake Okanagan. While all efforts are being made to keep a channel open, the ice is five inches thick in some places, especially along the ferry wharfs.

In the foreground, the lake is frozen solid, while there is only a channel about 200 feet wide for the vessel to ply between Kelowna and Westside. Lake tugs and barges have been used to break the ice. The Pendozi's sister vessel, the Lequime, is tied up for annual overhaul.

While the regular ferry schedule has been disrupted, the Pendozi is able to make the return crossing in about 45 minutes during daylight hours.

## Sicamous May Have Done Yoeman Duty But Boat Is Major Headache To City

THE gallant steamer, S.S. Sicamous, may have done yoeman service in yesteryears when it plied up and down the placid waters of Lake Okanagan, but during recent months it has provided City Council with a major headache. Since the CPR vessel was retired from service many years ago, it has been berthed at Okanagan Landing, but some time ago the railway company promised the city first option if and when it went to the junk pile.

Immediately, that started a lot of speculation. Community-minded citizens envisioned the vessel as a major tourist attraction. Some wanted it beached at the foot of Kelowna's main street. Others thought it would make a "natural" swimming pool, while Sea Cadets visualized it as an ideal meeting place. Before the Boy Scout museum was constructed in the City Park, there was a strong movement to utilize the vessel as a public museum.

With one eye on the city's purse strings, aldermen up to now, have been reticent in committing themselves. The maintenance costs to prevent the old stern-wheeler from becoming an eyesore, would be tremendous, they opined.

Final Decision  
Last week, however, the CPR asked the city for its final decision, and at Monday night's council meeting, aldermen received three requests for the boat. The Aquatic Club wanted it for future expansion plans; a group of veterans, R. M. Wilson, H. E. Cox, and D. C. Johnson, wanted it for a museum.

### D. K. PENFOLD GETS NEW POST

D. K. Penfold, former chief engineer of the water rights branch in Kelowna, has been appointed a member of the Public Utilities Commission and Coal and Petroleum Control Board. Dr. D. A. Carrothers has been reappointed chairman of the utilities commission.

Joining the staff of the water rights branch in 1928, Mr. Penfold became district engineer at Kelowna in 1931. He held that post until 1941 when he became chief engineer.

### Faithful Worker

## George Dunn Steps Down From Post Of City Clerk After 41 Years Service

By "THE BEAVER"

A man who has had his fingers on the public pulse for more than 41 years, and who has seen this city grow from a small community of 1,200 to over 12,000 people, has stepped down from a position he has held since 1908.

He is City Clerk George Howard Dunn who last Tuesday morning relinquished that post after serving under eleven mayors. However Mr. Dunn has not retired from civic duties. Effective immediately he will take over the post of city supervisor, a new position created by City Council Monday night. In ill health for some time, Mr. Dunn's duties will not be so arduous.

The former city clerk, who for two score years of service with the city, has preferred to remain quietly in the background of city affairs. He is also known as Mr. "father" of radio in the Okanagan. He is one of the oldest amateur radio operators in Canada and even now radio provides him with a hobby. It was in 1912 that Mr. Dunn first started to operate an amateur transmitter with one of the old type spark sets.

### Recorded Concerts

In the early 1920's, he operated on phone frequencies and his licensed call letters, 10AY, were later transferred to the Kelowna Radio Association. Back in the early days of radio in Kelowna, Mr. Dunn would broadcast Sunday afternoon recorded concerts and he termed the Orchard City. "The Home of the Big Red Apple."

Mayor W. E. Hughes-Games paid tribute to Mr. Dunn at last Monday night's council meeting for his long and faithful service to the community. He will be succeeded by Carl Brannan, who has been city treasurer and acting clerk for some time.

Mr. Dunn reached superannuation age last year, but in view of his vast experience which has proven invaluable during the city's rapid growth, he agreed to carry on in his duties. Coming to Canada with his parents in 1900, he settled in Victoria, Rossland was the boom city at the turn of the century, and so it was that he left the Island to join the bank of Toronto as a junior

Mayor W. B. Hughes-Games will study the 1949 B.C. Provincial Police contract. Figures received from Commissioner J. Shirras by City Council Monday night show that a seven-man force will cost taxpayers \$18,968.26. Last year's contract for a five-man force was \$13,950.26.

## Salary Dispute Between Trustees and Teachers Will Go To Arbitration

SALARY dispute between teachers and board of trustees of Kelowna School District 23 will go before an arbitration board.

Both parties to the dispute have agreed to arbitration, though the teachers last week indicated they would be willing to accept the recent Penticton award subject to a decision handed down by the Appeal Court of British Columbia.

"We have no alternative," said Trustee G. C. Hume at Monday night's school board meeting as he moved a resolution to arbitrate.

"In our position as custodians of public funds it is our duty to arbitrate," Trustee George Day of Rutland concurred. The resolution was adopted unanimously.

Chairman A. R. Pollard of Kelowna informed the trustees that disputes in Oliver and Armstrong school districts had also reached the arbitration stage. In Revelstoke, however, the teachers and board had agreed on a general \$400 a year increase across the board.

Dave Chapman, Kelowna, chairman of Kelowna school board for nearly 20 years up until his retirement two years ago, will likely be the "trustees' representative on an arbitration board. Mr. Chapman is in Prince George at the present time acting for trustees in an arbitration there.

Mr. Pollard said Mr. Chapman also has been requested to act for the Armstrong trustees in an arbitration board. Mr. Chapman is also a trustee of the Kelowna Teachers' Association. It is understood Nelson, B.C., trustees too are seeking Mr. Chapman for similar duty.

Mr. Chapman is expected to be available in the city sometime next week to confer with V. L. Dryer, of Vancouver, who has been named by the Kelowna and District Teachers' Association to act on their behalf. They will select their own chairman to head the arbitration board.

While no definite date for the hearing has been set, it will likely be toward the latter part of next week, so that a decision can be handed down and estimates prepared for presentation to Kelowna City Council and Glenora and Peachland municipal councils by the February 15 deadline.

Frank Wilson, of Penticton, who travelled to Prince Rupert with Mr. Chapman as advocate for the Kelowna school board, also has been approached by Kelowna school board to act as advocate for the Kelowna hearing. Mr. Wilson was a representative for the Penticton trustees at the time the arbitration board handed down an award of 27 per cent increase, one per cent more than the teachers were seeking.

A spokesman for the Kelowna and district teachers early this week indicated that trustees at Summerland, Vernon, Salmon Arm and Keremeos had agreed to adopt the Penticton award.

At that time, the Japanese government was paying high salaries to British subjects to teach them in the Rosland community, and took an active part in civic affairs, especially athletic endeavors. His active sports were skiing, curling and tennis. Later he was transferred to the bank's Winnipeg branch, but the rigors of winter were too much, and he left in 1907 for Japan, where, in his own words, "he lived like a king."

## Pro-Cons May Defer Naming Candidate To Contest Yale Until Liberals Approached

### MARGARINE MAY BE SOLD THIS MONTH

Margarine may be available to Kelowna consumers sometime this month.

An agent for a Coast firm gathered orders in the city recently. He told grocers shipment of margarine would probably be made before the end of the month.

**MUST REMOVE SIGN**  
Bert Mussatto will be advised by City Council that legal proceedings will be instituted unless a sign, now located on 670 Coronation avenue, is removed immediately. Mr. Mussatto, a shoe maker, said he intends to re-establish in the business section some time in the future.

### Spring's Here

Flash!! Bulletin!! Stop the press!!  
Spring's just around the corner!

That is according to that yellow-legged marmot, as the citizens call him. As the cold grey dawn broke over the Okanagan Valley yesterday morning—the mercury was hovering around the 15 degree mark—the groundhog could not see his shadow, and if one is inclined to believe this furry little rodent, the end of winter is in sight.

On the other hand if you believe the weatherman, the forecasters have been holding all too well since early December—there's still no relief in sight from the cold snap.

Penticton Progressive Conservatives Will Present Resolution at Nominating Convention Suggesting Choosing of Candidate Be Postponed—Executives of Both Liberal and Conservative Organizations May Get Together and Agree to Run One Candidate—Kelowna Delegates to Convention Receive No Instructions as to Who They Should Support

### Meet In Penticton Tomorrow

POSSIBILITY that the Yale Progressive Conservatives may defer choosing a candidate at the nominating convention to be held in Penticton tomorrow night, was seen here today. The Penticton Pro-Cons organization is prepared to present a resolution at the nominating convention suggesting that the choosing of a candidate be postponed until the executives of both organizations get together and mutually agree to run one candidate.

At last night's meeting of the Kelowna and District Progressive Conservative Association, delegates from this district were chosen, but they did not receive definite instructions as to who they should support. There was a strong indication the local delegates would support the Penticton resolution as the majority agreed it would be a repetition of the Yale by-election if there was a three-corner fight in the forthcoming general election.

No comment was made when a letter was read from the Vernon Pro-Cons Association, asking Kelowna to support the candidature of Mayor T. R. B. Adams, who has consented to allow his name to go before the nominating convention.

It is understood from well-informed quarters that the Yale Liberals are planning to hold a nominating convention pending action taken by the Pro-Cons. E. C. Weddell, president of the Yale Pro-Conservatives, explained a nominating convention to be called under the constitution, but what action is taken at the meeting is entirely up to the delegates.

Just what overtures would be made to the Yale Liberals, or how the two parties would mutually agree on a single candidate, is a matter of speculation, but it is understood a move in this direction already has been made.

Based on the 1945 provincial voting list, Kelowna is entitled to 25 delegates while rural areas are entitled to 20.

Mr. Weddell reviewed the national political picture at the outset of the meeting, and referred to the election of the new provincial Pro-Cons leader. Dealing with the Penticton nominating convention, he said, "The time has come when a decision has to be made, and the proper place and the only place to settle questions is at a meeting of duly accepted delegates," he declared.

He did not advocate moving in a direction which would antagonize Liberals, who he thought would support a Pro-Conservative candidate, providing the right man was produced.

C. G. Beeston, expressed the sentiments of the majority present. "If it's a three-way contest, O. L. Jones Turn to Page 12, Story 1

### ATOMIC ENERGY ADDRESS GIVEN BY H. CAPOZZI

Herb Capozzi addressed the Gyro Club on Tuesday night, taking as his subject "atomic energy." By use of the black board he reduced the technical scientific language into words the layman could understand.

The result was the Gyros received a much better appreciation of what the breaking of the atom really means and its possibilities for future use.

J. Logie in thanking Mr. Capozzi on behalf of the club said he had succeeded in presenting a very difficult subject in a manner which the non-scientific student could understand.

The prolonged cold spell has also hit the construction industry. For the first time since the end of the war, building permit values during January showed a big decrease compared with corresponding months.

According to figures released today by A. E. Clarke, building inspector, construction values last month amounted to only \$14,074, compared with \$90,914 during the same month last year.

Cold weather, coupled with the shortage of building supplies is given as the chief reason. Total of 12 permits were issued. Broken down, these amounted to one business building valued at \$900; two residences, \$8,750; six additions to residences, \$3,165; one garage, \$500; one outbuilding, \$80; and two signs, \$1,075.

## Marketing Problems

Down in the Maritime provinces this year they have been having difficulty marketing their apples and their potatoes and the problems involved must be of interest to any agricultural district.

Recently Nova Scotia has been producing about 1.5 million barrels of apples. The great bulk of these, about 1.1 million barrels, before the war were exported to Britain. During the war a processing subsidy by Ottawa kept the growers on their feet. Now, however, the continued lack of Canadian dollars has forced Britain to stop buying from Canada, as we in the Okanagan are fully aware. While Okanagan apples generally are acceptable to the Canadian and American markets, the Nova Scotia crop in varieties, appearance and packing are unsuitable for these markets. The result has been that the Canadian government has granted Nova Scotia apples a floor price which will amount to something like a million dollars on the 1948 crop. Last week it was announced, too, that a floor price on British Columbia Newtouns had been arranged, but here it is believed unlikely that it will be needed, although it does act as an insurance buffer should difficulties arise in marketing that variety.

Down in the Annapolis Valley a drastic reorganization is underway. The Dominion and provincial governments are lending assistance in an attempt to put the growers in a position they may compete in the markets which are available. It is generally considered now that Nova Scotia—or British Columbia, for that matter—can no longer look to Britain as a sure market for their apples. Nova Scotia has come to recognize that if it is to compete with Okanagan apples in Canadian markets and obtain a share of the American markets, a drastic change of quality, varieties and packing methods is necessary. Trees of undesirable types are being torn out, under government subsidy. Some 170,000 such trees have already been destroyed and another 80,000 have been condemned out of a total of one million trees. Other trees are being grafted to produce desired varieties. All this means, of course, greater competition for Okanagan fruit on Canadian markets in a few years and a sharing with

Nova Scotia of the export quotas to the United States markets.

The position regarding potatoes is somewhat different. In 1948 our production was 92.4 million bushels, which was about 18 million above our average. There was a large surplus for export, principally in the Maritimes. The British market which had taken 2,600,000 bushels in 1947 had dried up for potatoes as for apples. So had most of the other overseas markets.

However, at the start of the 1948 season there was a good market for potatoes in the United States. Under the latest U.S.-Canada trade agreement the tariff on potatoes was cut from 75 cents to 37½ cents per 100 pounds. This cut applied to a quota of a million bushels of table potatoes and 2½ million bushels of seed potatoes. These quotas run from September in each year and in 1948 both were exhausted. However, we continued to export after the 75 cent tariff became effective as the U.S. government had imposed a high floor price—\$2.70 per hundred pounds. This continued export of Canadian potatoes brought some repercussions as the United States government apparently took the position that U.S. government funds could not be used to support the price for the benefit of the Canadian potato grower; a not unnatural position. So the Canadian government, rather than have the U.S. prohibit entry of Canadian potatoes into the U.S., late in the fall placed a complete embargo against exports of table potatoes and partial restriction on the export of seed potatoes to the U.S.

The Nova Scotia apple problem is quite easy to understand. The potato problem, however, is more difficult. There has been some tendency in Canada to resent the closing of the American market. However, it should be noted that the market was not closed until we had exported a very large quantity; the U.S. market was our best market for our 1948 potato crop. Moreover, no other market, certainly not the British market, will take our potatoes. As with apples there is no prospect of Britain buying Canadian potatoes in the foreseeable future. Thus, it is not a case of where Canadian producers would like to sell their potatoes but where they can.

Both with apples and potatoes the position is the same. It is not a matter of choice as between the British, the U.S. or some other market. Rather it is a case of selling where we can and of realizing that, apart from a few very highly important commodities, the United States, despite uncertainties, offers the best opportunity.

Insofar as many of our agricultural products are concerned, Canada must, for the foreseeable future, come to depend more heavily on the exports to the United States. That market has proved unstable in the past; it will probably prove so again. But the British market and other traditional markets abroad must prove unstable. They cannot afford to pay the amount and the kind of money Canadians will in the long run insist on getting.

## EAST KELOWNA CHURCH HEADS ARE ELECTED

EAST KELOWNA — The annual church supper and vestry meeting of St. Mary's Anglican Church was held in the Community Hall, which was built some ten years ago, wished to present the secretary presented the financial statement, which showed the finances of the church in good shape.

The following members were elected members of the committee: R. Pethybridge, D. Evans, R. Day, E. F. Hewlett, F. Thorneley, E. E. Hewlett, R. W. Johnson, D. V. Gore and Peter Stirling.

Mrs. R. F. Borrett who had occupied the position of Rector's Wardens since the church was built some ten years ago, wished to present the secretary presented the financial statement, which showed the finances of the church in good shape.

his long faithful and untiring service during the many years.

Mr. G. D. Fitzgerald was appointed to take Mr. Borrett's place as Rector's Warden and Mr. J. M. Terndrup was appointed people's Warden and secretary-treasurer of the church.

About fifty people sat down to an enjoyable supper, which was arranged by the members of St. Mary's Guild.

## To the Citizens of Kelowna and District

TO CORRECT A STATEMENT APPEARING IN MONDAY'S COURIER REGARDING TEACHERS' SALARIES: THE BOARD'S OFFER REFUSED BY TEACHERS WAS NOT A 25 PER CENT INCREASE FOR ALL, BUT FOR BEGINNING TEACHERS ONLY. THE AVERAGE INCREASE OFFERED WAS APPROXIMATELY 17 PER CENT. THE PENTICTON AWARD OFFERED 27 PER CENT.

Although high maxima were stated by the Board, long service teachers were placed \$275 to \$400 down the scale, so that no one would receive the high salaries so prominently listed in the press. Furthermore, no teacher had any hope of reaching these figures as salaries quoted were for this year only.

School Boards at Vernon, Summerland, Keremeos, Salmon Arm, and Penticton assured their teachers of a higher schedule by agreeing to accept the results of the revised Penticton award.

DURING THE PAST YEAR NEARLY 80 PER CENT OF THE TEACHERS IN BRITISH COLUMBIA HAVE BEEN BETTER PAID THAN KELOWNA AND DISTRICT TEACHERS.

Like the taxpayers, the teachers are well aware of the increased cost of education. But should this increase, due to soaring population and to high building costs, be borne by them in the form of salaries lower than those in other districts?

INSERTED BY THE KELOWNA DISTRICT BRANCH  
O.V.T.A.

## Kelowna In Bygone Days

From the Files of The Kelowna Courier

## TEN YEARS AGO

Thursday, February 2, 1939

By the end of the week, between 45 and 50 cars of Okanagan apples will have left the Valley for Vancouver to meet the requirements of Coast distributors for B.C. Apple Week.

First carload of steel for the new government Kelowna-Westbank ferry has arrived. Assembling is to start shortly.

"The Naramat road can be built without a great deal of trouble or money but the heroic people who are struggling with it now will never complete it by the method being used. It is a bigger task than pick and shovel," said Frank Buckland in an informal debate at the Rotary Club meeting Tuesday. Also discussed at length was the construction of a bridge across the lake and the development of the road on the east side of Okanagan Lake.

The Interior Vegetable Marketing Board will continue to operate in Central B.C. following the success of a recent poll of registered vegetable growers in the region in regard to continuance of the single selling agency.

B.C. Police Constable W. Hemmingsway of Peachland escaped injury but his car was badly damaged when it struck a deer on the highway south of Peachland and careened over a 10-foot drop, landing on its side. The deer sustained a broken leg and was shot.

There are now less than 1,000,000 boxes of apples left unsold in the Interior of B.C., latest figures of the B.C. Fruit Board indicate.

Skiers from many points in the province are converging on Kelowna for the third annual tournament of the Kelowna Ski Club.

## TWENTY YEARS AGO

Thursday, January 31, 1929

It has been decided to install a furnace in the Scout Hall for the benefit of spectators at basketball games. The basketball club owes the Scout Hall \$200 rental and feels that this amount can be raised in the playoffs if the spectators' comfort is assured at the games.

T. G. Norris was again elected president of the Kelowna Board of Trade. The executive will make recommendation for reduced ferry rates. E. W. Watson was re-elected secretary and D. Currell auditor.

F. A. Martin was chosen head of the Kelowna Parent-Teachers Association at the annual meeting on Friday.

About a dozen of the 64 rooms soon to be available at the Royal Anne Hotel are now completed and the dining room is expected to be opened next week.

O. L. Jones is chairman of the Toe H group which recently obtained its official status from the governing body in Vancouver.

## THIRTY YEARS AGO

Thursday, January 30, 1919

W. A. Pitcairn has been elected president of the Kelowna Board of Trade with the following as council members: P. DuMoulin, L. V. Rogers, T. S. Ruffell, F. W. Groves, M. Heron, F. Buckland, G. Melkie, J. B. Knowles, H. F. Hewison, H. F. Tavish was again appointed secretary.

P. DuMoulin has been chosen president of the Kelowna Hospital Society with G. S. McKenzie vice-president and G. R. Binger secretary.

Kelowna district raised \$2,176.75 in the recent Red Cross drive. The objective was \$2,000.

C. E. Barnes of Walthachin was re-elected president of the B.C. Fruit Growers' Association at the annual meeting held in Penticton. L. E. Taylor, Kelowna, was elected vice-president and A. M. Clement, Vancouver, secretary-treasurer.

## FORTY YEARS AGO

Thursday, January 28, 1909

The first election in the new municipality of Peachland resulted in W. A. Lang being elected reeve and Messrs. Callender, McCall, Morrison and Chas. Elliott as councillors.

James P. Hince, who was to have moved to Kelowna from Ontario as leader of the city band, has reconsidered and decided not to make the trip west.

D. Leckie was elected president of the Kelowna Chess and Checker Club with F. M. Buckland as vice-president and N. Ellison as secretary-treasurer.

George Rowcliffe, E. R. Bailey and Joseph Ball are the new aldermen replacing T. W. Stirling and Dr. W. H. Gaddes who resigned and A. O. Brunette whose application had been found faulty.

Kelowna building values in 1908 amounted to \$100,000 of which \$78,000 was for business premises of brick or stone or both.

T. W. Stirling is president of the Kelowna Hospital Society Board with T. Lawson, vice-president, E. Weddell, treasurer and M. G. Gorrie, secretary. First patient to enter the new hospital in 1908 was on April 6. The attendance from then on until the end of the year totalled 1,393 and the number of patients treated 115 at a daily cost of \$2.91 per capita.

Kelowna Teachers No. 1 ..... 5  
Kelowna Sawmill No. 2 ..... 4

Shippers and Occidentals finally made good in their bid for the top spot of the Monday nighters with clean sweeps over Builders Supply and CKOV respectively. Prior to Monday night the radiomen were out in front by themselves but the crippling blow landed them back in fourth spot for the biggest change in weeks.

Shippers' Damer Verity came up with the best single of the night with his 297 in the second game. Shippers also copped the team triple of 3174.

Best individual triple was rolled by Feist of Rudy's Taxi. Rudy's 1119 in the second game was high for the team single.

RUDY'S (0) — Kibicki 560, Feist 724, Whittingham 644, Pavell 554, Lesmeister 574, 869, 1119, 1048—3036.

B.A. OIL (1) — Mitchell (2) 279, Blair (2) 352, Whittier 595, Johnston (2) 431, Robson 447, Brown 460, handicap 236, 839, 1042, 839—2320.

BUILDERS (0) — Slesinger 624, McDowell 342, Meldrum 381, Jarvis 574, Monteth 421, handicap 339, 398, 448, 947—2631.

SHIPPERS (4) — Merriam 704, Stephens 635, Koenig 579, Verity 636, Ritch 620, 983, 1108, 1083—3174.

Safeway's four points by default from Larry Woult's Mor-Bene crew vaulted the Storemen into first place again while Kelowna Sawmill was thumping last week's leader, West Kootenay, for a clean sweep. Tuesday was one of the worst

nights for absentees this season with three outfits failing to show up. Honors for the night—in actual competition—were split three ways. Hill Morris of Bennett's No. 1 had the best single of 277 while individual triple went to West Kootenay's Whittell with 679. The Teachers had the top team single of 1029 but Bennett's No. 1 came in for the second honor with a 2873 tree-game total.

TEACHERS (3) — Cuddeford 577, Mutter 590, Hadfield 525, Green 404, Gowans 567, 1026, 810, 907—2743.

McGAVIN'S (1) — Raab 386, Ruf 536, Kosolofski 549, Thompson 499, Oldhaver 415, handicap 87, 749, 848, 875—2472.

HUME & RUMBLE (0) — Trueman 595, Tellefson 450, Davidson 329, Firth 561, Phillips 435, handicap 333, 904, 945, 854—2703.

BENNETT'S NO. 1 (4) — Morris 669, Campbell 635, Johnston 592, Laing 485, Schmidt 492, 1003, 953, 915—2073.

KSM (4) — Smith 507, Guerin 520, Porter 472, Bostock 615, Manderson 392, handicap 256, 923, 884, 955—2762.

WKPL (0) — Dunn 460, Geisheimer 524, Whittell 679, Bakke 369, Struifel 520, Milnlacheon (1) 86, 799, 917, 932—2578.

LADIES' GOLF LEAGUE  
Tuesday

Mickey Green and her Drivers grabbed the lion's share of honors as they downed Fairways 3-1. Mrs. Green rolled the high single of 218 while the quintette took both team highs of 753 and 2007. Best individual triple came off the arm of Mrs. Willows of the Tees with 560.

FAIRWAYS (1) — Lemie 350, Popham 445, Cruise 403, Malt 253, Brown 433, handicap 31, 674, 593, 648—1925.

DRIVERS (3) — Green 549, Beyer (2) 223, de Puyffer 334, Owen (2) 336, Adamson (2) 186, Weinberg 457, 668, 696, 753—2087.

PAIRS (1) — Gaddes 374, McLaurin 302, Kyle 285, McMill 304, Stewart 275, handicap 238, 658, 667, 593—1918.

TEES (3) — Willows 560, Owen 389, L.S. 206, Downton 543, Lee 317, 710, 604, 695—2015.

EAGLES (1) — Buckland 515, Faulkner 323, Ker 385, McLennan 400, L.S. 289, 664, 664, 584—1912.

BIRDIES (3) — Parker 413, Underhill 386, MacLean 330, Shirreff 408, Roadhouse 317, handicap 93, 676, 640, 611—1847.

## It's In The Game

By AL DENEGRIE

**BROOM-STONE ERA**

Where it all started is a matter of controversy that even Encyclopedia Britannica cannot settle, so there is nothing to be gained by taking sides with the Dutch or the Scottish. But the latter can be thanked for blurring the lines for developing, fastening, to a certain degree, the game to the status it enjoys in the Old Country, particularly in "that knuckle end of England," and in Canada and in some parts of the northern midwest States.

But closer to home there is another angle that is credited for the big strides curling is taking in popularity. It is the realization by the younger men — and boys and women, too — that the broom and granite pastime is not for old men alone. Anyone can get in the act, except a pauper, that is. Another fallacy that has been debunked of late is that the only men who can master this stone-shoving business must have a handle like MacTavish, Macgregor or MacLennan. If I remember right, it was a Frenchman from TRAIL who last year set B.C.'s top curlers back on their heels.

Locally, curling enthusiasts have always had to curvy the weathermen and this year the latter have given him ambassador, Jack Frost, a long-term lease. Add to the influx of new residents from the Prairies, where in many cases, baby alters make a killing while Dad and Mom sweep the ice, and the interest shown even by high school boys, and the KELOWNA CURLING CLUB is booming at its best. Small wonder then that this near-cosmopolitan group figures the time at last is ripe to make the big leap from natural to artificial ice. It's a \$45,000 hurdle that has to be made by the lovers of the sport themselves, but they are confident it can be done.

Kelowna curlers in the past have had only mediocre success in the provincial scene. But this year a KELOWNA HIGH SCHOOL rink is entered in the B.C. high school championships at Nelson, February 11 and 12, and win or lose, this group of boys is helping to make the Orchard City more curling conscious than it has been in a decade or more. If the rink skipped by BOB BUSCH and including KEN MOORE, PAT CARW and TOMMY MY fail to make the grade this year they can be consoled by the fact that next year they'll be able to practice and get into fighting trim several weeks longer on the new artificial six-sheet rink.

**AL-DEN-ETTES** is working overtime turning out dire predictions for Mainline - Okanagan teams, the current conundrum is: "What has happened to KAMLOOPS ELKS?" Since JOHNNY URSACKI resigned the coaching chores and PAUL THOMPSON took over, the Hub City boys have dropped four straight, two to Kelowna and two to Vernon, and have given up the league lead to Vernon. (This was written Tuesday before the Elks at Packers game so things may have changed since then). Another enigma is the sudden collapse of the KELOWNA KODIAKS. Coasting along unbeaten for several weeks — then bang! the roof caves in. Some of the cause can be traced to reverting of some of Vernon's best juveniles from the junior ranks to their own age group. But there's more to it than that. Team spirit, that vital part of the inside workings, is at a low ebb. Many of us

### CLIFF MILLS UP BEFORE HOCKEY HEADS

No Disciplinary Action Taken As Reports Concerning Fight Conflicting

Cliff Mills, Kamloops Elks' scoring ace, Saturday was on the carpet before a special Mainline-Okanagan league meeting at Vernon for hearing arising out of an incident in Kelowna Tuesday of last week. Official reports heard by the league executive were conflicting, it was reported, and no disciplinary action was taken. Mills previously had been under temporary suspension pending Saturday's hearing. The investigation followed Mills' post-game attack on Kelowna players before the teams left the ice and alleged obscene language to the crowd after the fight was broken up.

## Luckless Elks Wilt Before Small Crowd as Vernon Bags Four Early Goals to Beat Northerners 11-8

**KAMLOOPS** — Four goals in the opening five minutes of the game set the pattern for the Vernon triumph as they racked up an 11-8 win over the luckless Kamloops Elks in a free-scoring wide open Mainline-Okanagan Amateur Hockey League fixture in the Kamloops Civic Arena Monday.

The victory lodged the Canucks in first place in the standings one half game ahead of the Elks. Vernon had been in second place behind Kamloops since December 18.

Only 700 patrons, one of the poorest Kamloops crowds of the season, turned out to see the bewildered Elks wilt completely in the first few minutes of the encounter as Vernon notched four tallies in two minutes and 11 seconds with Bert Elliott, Rod Booth, Buzz Mellor and Ron McIntyre blinking the red light. Cliff Mills got two back for the Elks near the end of the stanza to leave the score at 4-2.

### STUDENTS LOSE CAGE FIXTURES

Senior cagers from Kelowna High School suffered a double loss at Penticton Saturday night in Okanagan Valley High School conference fixtures.

PHS senior girls trounced KHS 20-6 while the coachless Golden Owls put up a stiff battle before going under to the PHS boys 47-40. In a consolation game, Kelowna was unable to go with the team due to illness and the students missed his counsel, particularly in the first quarter when the hometown five scored almost at will.

In a short preliminary, however, Kelowna's junior boys gained a 11-9 verdict over Penticton for the only KHS win of the night.

### FLIERS BAG 28 COYOTES IN 8 HOURS

By CARL H. BROWN (Tonasket Air Service)

**TONASKET** — Eight hours flying time — 28 coyotes.

In a short preliminary, however, Kelowna's junior boys gained a 11-9 verdict over Penticton for the only KHS win of the night.

With William H. Sylvester as gunner, we took off in a Piper PA-11 to scout the snow-covered coyote country in a hunt for the predators. They are today preying heavily on deer and game birds who are finding it harder to escape their natural enemies in the deep snows.

A dead horse, spotted from the air, led us to our first big "bag." We knocked down 15 coyotes around the carcass before landing to "bounty" them — taking the ears, a strip down the back, and the hind feet to turn in for bounty payment by the game department.

Forty yards from where we were skinning him, another coyote came in and started feeding on the carion, keeping an eye on us, but still daring to go in and feed. We had left the gun in the ship, so that coyote was safe, but this demonstrates how hungry the coyotes are.

From here, we went to Palmer Lake, and in spite of skaters and fishermen, we saw two coyotes running across the ice at the other end of the lake. We made two passes at them and got them both.

In another case, we came upon four coyotes pursuing a single doe. We attracted the attention of the coyotes away from the doe, and bagged those four.

By the time we got back to bounty two coyotes, eagles had been at work on the carcasses, and in one case there was hardly enough left to bounty.

Some fancy shooting and flying was done when we came upon several coyotes and bagged two of them in one "slip" or pass with the plane.

Black eagles are doing much damage to pheasants and partridges in this district.

## EVERYBODY'S BUSINESS

It is a well known fact that actors, musicians and entertainers thrive on applause.

Just as entertainers respond to applause, so all of us crave and respond to occasional praise. Yet how seldom it occurs to us to praise others! Day after day we go along taking their fine qualities and good work for granted. Even their outstanding accomplishments do not always draw from us the commendation they deserve.

Yet when we do praise someone, we see that it always has a magical effect. Instantly he or she glows with pleasure. And this in itself is sufficient reward for our thoughtfulness.

But our words of appreciation have more lasting effects. They help people develop self-consciousness. They inspire greater loyalty. And they promote happier, pleasanter relationships on every hand.

The contribution which the life insurance business makes to national welfare has been widely praised by such prominent personalities as Winston Churchill, W. L. MacKenzie King and the late Franklin D. Roosevelt.

ett, Booth, Hryciuk. Officials—F. Janicki, Vernon; A. Kuly, Kamloops.

## NELSON MINOR TEAMS COMING

Minor hockey as they play it in the West Kootenay will be shown to week, February 12.

Kelowna fans next week when Minor Hockey Night will feature Nelson's representative juvenile and midget teams against Orchard City squads.

An all-star local midget outfit will take on the Nelson boys while the Kootenay jubes. This gala minor hockey special is billed for Saturday of next week, February 12.

## HOOP FIXTURES THIS FRIDAY

Intermediate B cagers go strictly on their own in a special Inter B Night at Scout Hall Friday when the highly-touted Revelstoke hoopers put in an appearance here. They are slated to meet the Kelowna Electric Dynamals in the main feature starting at 8:30.

Based on previous performances, the preliminary should be very bit as exciting when Legion Pioneers renew their feud with the scrapping Pentiction lads at 7:30.

A child's milk teeth or "baby teeth" are very important. If they are improperly cared for, the permanent teeth may come in crooked and uneven. Make sure your youngster cleans his teeth regularly.

## BANTAM PUCK SQUADS TIED FIRST PLACE

Rutland Boston Bruins pulled up into a tie for first place with Chicago Black Hawks in the Kelowna and District Bantam "National Hockey League" when they handed the Hawks a decisive 5-1 beating Saturday morning.

At the same time, Detroit Red Wings gained their first point of the season, holding the Toronto Maple Leafs to a 1-1 tie in a fixture that had everyone aching on the edge of their seats. G. Ferguson tallied for the Wings in the first period but Bill Gaddes countered for the Leafs in the third to even up the game.

### League Standings

	W	L	T	Pts
Chicago Black Hawks	1	1	1	1
Bos. Bruins (Rutland)	5	1	1	11
Toronto Maple Leafs	2	4	1	5
Detroit Red Wings	0	6	1	1

### Scoring Leaders

	G	A	Pts
Beluski, Bruins	10	11	21
Dirk, Bruins	11	8	19
Skillnik, Bruins	11	8	18
Murray, Hawks	8	13	13
White, Hawks	6	12	12
Wheatley, Hawks	6	3	9
Machara, Hawks	4	4	8

## No More Dosing For Constipation

Famous cereal frees woman from harsh laxatives

Searching desperately for constipation relief? Then read this unsolicited letter:

"For 10 years even strong medicines couldn't help me. At last my doctor in England advised me to try KELLOGG'S ALL-BRAN. I began to eat this breakfast cereal and soon realized I was better. I eat ALL-BRAN regularly now and can definitely say I am free from constipation!" (Name given on request.)

You, too, may never have to take another harsh laxative for constipation due to lack of bulk in the diet. Just eat an ounce of KELLOGG'S ALL-BRAN daily—and drink plenty of water. ALL-BRAN is not a purgative, but a wholesome regulating cereal. Eat as a cereal, or in muffins for constipation relief. If after using one package you are not entirely satisfied, get double your money back as guaranteed on the package. Buy delicious ALL-BRAN from your grocer. Made by Kellogg of Logdon, Ontario.

## Kamloops Suffers Fifth Straight Defeat as Kelowna Packers Give Polished Performance to Win 7-4

### KELOWNA 7, KAMLOOPS 4

Kelowna Packers were on one end of the Kamloops Elks' elastic losing string Tuesday night but it wasn't the fault of the Hub City boys that it didn't snap in their faces.

Kelowna handed the Elks their fifth straight defeat before a fair-sized crowd of 2,000 fans at Memorial Arena via the 7-4 route, in a fast, clean Mainline-Okanagan senior B hockey fixture.

Netminder Roy Worrall quered Kamloops' chances of getting back into the league lead the Elks lost to Vernon Monday night after holding on to the top rung for more than six weeks. Worrall gave a plentiful and crowd-rousing performance turning aside 36 shots as the Elks outshot the Packers 40-33.

With seven games left to play in Tuesday night's fixture, Packers still had a mathematical chance of wiping out the 10-point spread between them and Kamloops. Vernon (after Tuesday night's game) was a half game in front of the Elks.

Kamloops' defence weakened in the absence of Jack Kirk and Guy Ludgate, was no serious barrier for the Packers as they leaped to a 3-0 lead in the first chapter, took a back seat in the second when the Elks fought back to the wrong side of a 5-4 count and then rapped in two more tallies in the third.

Worrall met the supreme test in the sandwich session as the Elks swarmed in with 16 shots while Frank Sharpe had only five to deal with.

Packers' number one line of Bud Gourlie-Frank Hoskins-Bob Johnson amassed 11 scoring points among them to pace the Orchard City crew to victory. Jack Forsey, Cliff Mills and Will Cook garnered two points apiece for the Elks.

Only two penalties were handed out—one to each team—by Referees Alec Kuly of Kamloops and Bud Fraser of Kelowna. Defencemen Ken Reeves and Eddie Witt and winger Jimmy Lowe made brief appearances Tuesday night.

For Reeves it was his first action since November due to a broken hand. Witt was sidelined about two weeks ago with a cracked collar bone which has been suffering from a stomach ailment for some time.

Packers will play their third game in as many nights when they hook up with the Vernon Canadians here tonight. Completing a trying week, Ken Stewart's boys travel to Kamloops Saturday.

KELOWNA — Worrall; Stewart; Hanson; Gourlie, Johnson, Hoskins; Reeves, Witt, Mirtle, Sullivan, Smith, Lowe.

KAMLOOPS — Sharpe; McDougall; Cook; Mills, Lovett, Van Buskirk; McKay, Forsey, Sundin, Urak, McDonald.

FIRST PERIOD — 1, Kelowna, Hoskins (Gourlie, Reeves) 3:41; 2, Kelowna, Hoskins (Gourlie, Reeves) 7:51; 3,

## THUNDERBIRDS ONE GAME UP IN PLAYOFFS

The Thunderbirds went one game in front in their current best of three finals against Rutland for the right to represent the city and district in the interior midwest hockey playoffs when they edged the Rutlandites 6-5 in a fast game at Memorial Arena Saturday night.

In a second game Saturday night, Kelowna High School seniors, comprising many of the Kelowna Kodaks, trounced Rutland High School 8-2.

This coming Saturday, KHSS will be sharpening up for the B.C. high school finals set for Kelowna in March, when they tangle with Vernon High School. Game time is 7:30. There will be public skating afterwards.

## What's Doing?

### TONIGHT

Senior Hockey—Vernon vs. Kelowna, 8:30.

### FRIDAY

Intermediate Basketball — Revelstoke vs. Kelowna Dynamals; Rutland vs. Legion Pioneers, Scout Hall, starting at 7:30 p.m.

### SATURDAY

High School Hockey, Memorial Arena, Vernon vs. Kelowna, 8 p.m.

### SUNDAY

Mercantile Hockey League—Rutland vs. Kelowna, 9:15 a.m.; Club 13 vs. Rowing Club, 10:30 a.m.; Black Bombers vs. Stampeders, 5:30 p.m.

## LETTERS TO THE EDITOR

The Editor,  
Kelowna Courier,  
NEUTRAL REFEREES

Sir: A group of friends and I, along with two to three thousand enthusiastic Kelownians, have attended all the senior "B" hockey games at the Memorial Arena. Needless to say, these games have made this winter a most enjoyable one. We like our "Packers"—win, lose, or draw—and feel that they are now trying as hard as Kelowna as though they were all native sons.

We have come to the conclusion, however, that the Packers, the spectators and players are losing out on one score—the refereeing. All through the season the refereeing has been a bone of contention between the valley towns, and it is hard to understand why a neutral referee, or two, is not used in each game—i.e. two Kelowna referees at a Kamloops vs. Vernon game, Vernon referees at a Kamloops vs. Kelowna game, etc. Perhaps it is already arranged, but we certainly would like to be assured soon that the association will bring in outside referees for all play-off games, for this will be the only way that we can expect unbiased refereeing, which is no more or no less than any player or spectator can ask.

It is also hard to reconcile the decisions of the hockey committee when comparing the penalties given Marcoux and O'Reilly of Kelowna at a Vernon game some weeks ago, with the current exonerations of Mills of Kamloops for his flagrant violation of authority and sportsmanlike conduct at Kelowna at the end of the game on January 25. Yours for fair, fast hockey,  
GORDON L. FINCH.

The Editor,  
Kelowna Courier.

**BACKS UP MARCOUX**  
Sir: IS "IRONMAN" STEWART REALLY MADE OF IRON?  
Did "Ironman" Stewart ever give Joe Marcoux any credit? No! Marcoux was just as good a player as "Ironman" but Stewart was given all the credit.

They'll be sorry for putting Marcoux off. When Marcoux was suspended, why didn't Stewart fight for him? We all think Marcoux was every bit as good as FE (Ironman).  
Have you ever listened into a hockey broadcast in Kelowna? Well this is all you hear: "Ironman" Stewart is really hot—and those injury-riddled Packers. Why not give great hockey players like Dave McKay, Buzz Melton, Jack Kirk and Al Laface some credit and not so much about Stewart?  
D. F. JONES,  
R.R. 3, Kelowna.

P.S. Please let us know if "Ironman" Stewart is made of iron.  
(Editor's Note: When Marcoux first approached the Packers early in November for a spot on the team, Stewart agreed to give him a chance to make good. This was opposed by the majority of the executive. Stewart, really a "softie" at heart, kept Marcoux on the roster much longer than the executive or players themselves wanted him.)

## 12 CHILDREN CHRISTENED AT WINFIELD

WINFIELD—The United Church was the scene of a christening ceremony when twelve local children were christened by Rev. S. Crysdale.

They were Ross George, son of Mr. and Mrs. J. McCoubrey; Jane Lee, daughter of Mr. and Mrs. L. Shearer; Martin, son of Mr. and Mrs. Madsen; Gary Warren, son of Mr. and Mrs. L. Clement; Mary Louise, daughter of Mr. and Mrs. L. A. Bond; Catherine Corinne, daughter of Mr. and Mrs. L. Stowe; Donald George and Joyce Florence, son and daughter of Mr. and Mrs. George King; Frederick, son of Mr. and Mrs. F. Stoll; Marlene Fay, daughter of Mr. and Mrs. C. Gunn; and Paulette Lucille, daughter of Mr. and Mrs. A. Seltenrich.

## EAST KELOWNA CARD PARTY

EAST KELOWNA—There were six tables of whist at the card party sponsored by the members of St. Mary's Guild in the Community Hall last Tuesday.

Refreshments were served in the evening, and the following were the winners: Ladies' first, Mrs. Middleton; ladies' consolation, Mrs. Murrell; gent's first, R. Day; gent's consolation, H. Bailey.

Mrs. R. T. Graham left on Friday for Victoria where she will visit her daughter, Eileen. Mrs. Graham plans to spend a few days in Vancouver before returning home.

F. Finlay left for Vancouver during the week.

Mrs. Cap Rieger, who has been a patient in the Kelowna General Hospital, has returned home.

Little Kenneth Ross, also a patient in the hospital, returned home on Friday.

The children of the primary school have been suffering from measles and colds which necessitated closing the school. However most of the children returned on Monday when classes were resumed.

## OKANAGAN MISSION

OKANAGAN MISSION—Mr. and Mrs. A. Elston, of Enderby, are staying at the Okanagan Auto Court prior to building a home in the district.

Johnnie Karpenko returned home from the Kelowna General Hospital over the weekend, much improved in health.

The Community Hall Association is sponsoring a party for all teenagers in the Community Hall this Saturday evening, February 5. Donuts and coffee will be served.

The sympathy of the community is extended to Mrs. Fred Maranda on the sudden death of her father, Mr. Wm. Panoff, of Armstrong. He was accidentally killed when his tractor turned over. The funeral services were held in Kelowna on Wednesday afternoon from the First United Church with Dr. M. W. Lees officiating.

Mrs. E. Pow who had the misfortune to break her leg some time ago, has had to undergo an operation.

J. Green and J. Laing are patients in the Kelowna General Hospital.

Miss Appy Heit, Kelowna, was the weekend guest of Mr. and Mrs. V. R. McDonagh.

Mr. and Mrs. Alex McDonagh had as their guests last week, the latter's brother and sister-in-law, Mr. and Mrs. C. H. Hopp, of Kimberley.

Mr. Poschmann, who has been a patient in the Kelowna General Hospital for two weeks, returned home on Saturday.

THE SCOUTS GIVE FIRST AID DEMONSTRATION

EAST KELOWNA—An invitation was extended to members of the Kelowna Boy Scouts to attend the meeting held in the Community Hall January 26, when the Scouts gave a demonstration on first aid and other Scout work. Later some fine pictures were shown by Mr. A. Ward, including the Coulee Dam, skiing-hiking and a motorcycle hill climb, which were all very interesting.

The Scout Committee expressed their appreciation of the work done by the Scout Master and hoped he would carry on.

GLENMORE—Mr. Percy Rankin and Mr. Sam Lee returned Saturday from a cougar hunt across the lake. They got their cougar.

Mr. and Mrs. Albert Raymer entertained at bridge last Saturday evening.

"The Soviet Union in Theory and Practice" was the topic of debate on Citizens' Forum last Friday night. The Glenmore Forum met at the home of Mr. and Mrs. L. Purdy to hear the radio discussion.

Mr. and Mrs. Vic Lewis were dinner hosts last Sunday evening.

Mrs. George Mowbray left for Penticton on Sunday to attend the funeral of her brother, Mr. L. Stokes.

Mr. and Mrs. Frank Hawkey are receiving congratulations on the birth of a son.

## Locals Halt Vernon 5-3; Lowe Stars

Bud Gourlie Assists in Setting Up Plays as Packers Outshoot Vernon

### PLAY TONIGHT

1,300 Surprised and Bewildered Fans Watch Canadians Bow to Kelowna Team

VERNON—With Bud Gourlie setting them up and Jimmy Lowe banging them home, the Kelowna Packers halted the Vernon Canadians' winning streak at four games with a well deserved 5-3 victory in the Vernon Civic Arena before 1,300 fans last night.

Most of the spectators were both stunned and bewildered from the way the Stewart clan outskated, outshot and outscored the local favorites. Packers were out for a win right from the drop of the puck and tested Laface with a few tries before the Canucks had their sticks on the ice.

Before the middle stanza was 34 seconds old, Lowe celebrated his return to action with a goal that made the fans, both Vernon and Kelowna, admit a beautiful play. The lightning winger, who is probably the fastest man in the league, picked up a loose puck near the Canadian's blue line, cut around the defence and made no mistake when he was in on top of Al Laface.

Both Laface and Roy Worrall had their work cut out as they put on one of the best goal tending duels of the season. The always-brilliant Laface had 38 shots to handle while the hot-and-cold Worrall was tested with 28.

With only 30 seconds of the fast and rugged last period remaining, the Packers took no chances and iced the puck frequently, causing no less than four face-offs in their end during the last half-minute.

Next games: Vernon at Kelowna tonight; Kelowna at Kamloops Saturday; Vernon at Kelowna Tuesday.

Summary  
First Period—1, Kelowna, Smith, 4:17; 2, Vernon, Elliott, 7:49; 3, Kelowna, Hanson (Hoskins) 19:08. Penalties: None.

Second Period—4, Kelowna, Lowe, 0:33; 5, Vernon, Hryciuk, 1:21; 6, Kelowna, Lowe (Gourlie) 8:17. Penalty: Witt.

MRS. J. SEATON ELECTED HEAD CHURCH GUILD

WINFIELD—The annual meeting of St. Margaret's Anglican Guild was held at the home of Mrs. G. Griffith.

Mrs. J. Seaton was re-elected president, with Mrs. F. Williams vice-president, and Mrs. Johnson, secretary.

Those appointed to the various committees were: needlework, Mrs. F. Williams, Mrs. G. Griffith and Mrs. Bond; entertainment, Mrs. T. Crowder and Mrs. J. Swaisland; altar guild, Mrs. Cheeseman and Mrs. Williams.

Needlework was distributed to the members in readiness for the annual Easter bazaar.

TAG DAY

Dr. Knox Chapter, I.O.D.E. made application for a tag day to City Council Monday night. The letter was filed along with other applications.

STREET LIGHTS

Residents on Cawston and Wilson avenues will get street lights as soon as equipment is available. Alderman R. F. L. Keller, referring to a petition received from home owners some time ago, said the matter is receiving "sympathetic consideration," and that work will be done as soon as possible.

## LOCAL CAGERS LOSE 70-44 TO KAMLOOPS

Kamloops Has Firm Grip on Leadoff Spot in Senior B Cage Finals

Kamloops Leland Hotel Rainbows consolidated their grip on the leadoff spot in the interior senior B basketball league with a decisive 70-44 victory over Kelowna Bears at the Scout Hall last night.

Paced by Alf Barton and Bus Ellis with 20 and 19 points respectively, the sharpshooting Rainbows outscored the Bears in every quarter but the last to hand the off-color Kelowna quintet their worst beating of the season.

Herb Capozzi, though only half-effective from last week's ankle sprain was top man for the Bears with 11 points. Indicative of the generally erratic shooting was the fact that men like Bert Saucier and Henry Tostenson, usually good for double figures, scored exactly one field goal apiece.

Personal fouls played a big role in piling up the Rainbows scoring points. Tostenson and Ellis both had to leave the game in the last quarter after their string of fouls had run out and several other players were nudging the limit of five.

Next action for the Bears will be a return engagement at Kamloops on Tuesday of next week.

In the preliminary, Kelowna Legion Pioneers and Vernon's Nick's

Aces gave the customers a ding-dong show as the battled on even terms to the wire. It looked like a narrow 38-36 win for the local inter-B's over the inter A's from Vernon, but a recheck on the score showed the game ended in a 38-all draw.

Dick Douglas, potent scorer for the Vernites, garnered 19 of his team's points.

KAMLOOPS—Barton 20, Ellis 19, Foulger 7, McQuarrie 11, S. Laid-law 9, Sellers 4, Cochrane, C. Laid-law Total 70.

KELOWNA—Bogress 7, Tostenson 2, Ferguson 5, Ardiel, Gee 7, Carr-Hilton 4, Saucier 2, Capozzi 11, P. Weddell, J. Weddell 6, Hoyle. Total 44.

## ANNUAL PARLEY OF RED CROSS ON FEB. 17, 18

The 30th annual meeting of British Columbia division of the Canadian Red Cross has been set for February 17 and 18 in Vancouver. The meeting will be officially opened at 10:30 a.m., February 17, by His Worship, Charles E. Thompson, Mayor of Vancouver. In addition to Red Cross delegates who will come from all parts of the province, representatives of the navy, army and air force will be present.

One of the highlights of the meeting will be the showing of two Red Cross films, "Flood Relief" and the sequel to it, "Red Cross in Disaster" which has just recently been completed. "Flood Relief" is a story of the B.C. flood, and "Red Cross in Disaster" depicts the work of the Red Cross in re-instating the families who were flooded out of their homes.

Election of officers for the coming year will take place on the morning of the second day.

## THE PRESBYTERIAN CHURCH IN CANADA

### Announces

### "SUNDAY QUIET TIME"

ON CJIB—VERNON

EVERY SUNDAY AT 4:00 p.m.

Conducted by Rev. Allan Farris, M.A., of First Presbyterian Church, Trail, B.C.

## Missionary Convention

TWO GREAT DAYS—FEBRUARY 9 and 10 (WEDNESDAY AND THURSDAY)

THREE SERVICES DAILY—10 a.m., 2:30 p.m., 7:30 p.m.

Missionaries will be present from Mozambique—Kenya Colony—British West Indies—Argentina.

REV. G. UPTON, Gen. Miss. Sec. will be present; also REV. P. S. JONES, Dist. Supt. of B.C. and Ministers from the Valley.

Dinner and Supper will be served to out of town visitors.

SERVICES WILL BE HELD IN THE NEW EVANGEL TABERNACLE.

## SHOWER HONORS OYAMA BRIDE

OYAMA—In honor of Mrs. Gordon Allingham (nee Evelyn Gray) a miscellaneous shower was held on Wednesday, January 26. During the evening Mrs. A. Townsend read an address to the honoree and a beautifully decorated basket of gifts were presented, to which a suitable reply was made. Following the presentation, a lovely lunch was served. Mrs. Whipple and Mrs. Batters assisted the hostess, Mr. A. Townsend.

Mr. and Mrs. Alex McDonagh had as their guests last week, the latter's brother and sister-in-law, Mr. and Mrs. C. H. Hopp, of Kimberley.

Mr. Poschmann, who has been a patient in the Kelowna General Hospital for two weeks, returned home on Saturday.

THE SCOUTS GIVE FIRST AID DEMONSTRATION

EAST KELOWNA—An invitation was extended to members of the Kelowna Boy Scouts to attend the meeting held in the Community Hall January 26, when the Scouts gave a demonstration on first aid and other Scout work. Later some fine pictures were shown by Mr. A. Ward, including the Coulee Dam, skiing-hiking and a motorcycle hill climb, which were all very interesting.

The Scout Committee expressed their appreciation of the work done by the Scout Master and hoped he would carry on.

GLENMORE—Mr. Percy Rankin and Mr. Sam Lee returned Saturday from a cougar hunt across the lake. They got their cougar.

Mr. and Mrs. Albert Raymer entertained at bridge last Saturday evening.

"The Soviet Union in Theory and Practice" was the topic of debate on Citizens' Forum last Friday night. The Glenmore Forum met at the home of Mr. and Mrs. L. Purdy to hear the radio discussion.

Mr. and Mrs. Vic Lewis were dinner hosts last Sunday evening.

Mrs. George Mowbray left for Penticton on Sunday to attend the funeral of her brother, Mr. L. Stokes.

Mr. and Mrs. Frank Hawkey are receiving congratulations on the birth of a son.

## Citizens Must Continue to Operate Local Hospital, Says W.E. Adams

Chairman of Hospital Board Pays Tribute to Women's Auxiliary

"The hospital still belongs to Kelowna and must be operated by the citizens even though the government has taken over payment of patient's bills," W. E. Adams, chairman of the Kelowna Hospital Board, declared at a meeting of the Women's Auxiliary to the Hospital, held Monday in the Board of Trade rooms.

Mr. Adams praised the auxiliary for its work in the past years, particularly in supplying hospital linen. He stated that a women's organization behind any association is invaluable and added he is a firm believer in the saying, "Never underestimate the power of a woman."

Mr. Adams urged the people of Kelowna to continue their interest in the hospital, saying government grants covered only the bare essentials, while the hospital is in dire need of many things, especially kitchen appliances.

He stated that the auxiliary had been backed by the hospital for 43 years, and said "It is just as urgent to continue your support this year as it has been in any past year."

## SOCIAL EVENING HUGE SUCCESS AT WINFIELD

WINFIELD—On Wednesday evening, January 26, members of the Women's Institute, Farmer's Institute, their husbands and wives, and members of the Junior Women's Institute had an enjoyable social evening in the Community Hall.

Les Clement, operating his own projector, showed some films obtained from the Film Library along

## RED CROSS OFFICERS RE-ELECTED

Mrs. C. T. Redstone Again Named President of Peachland Red Cross Branch

PEACHLAND—All officers of the Peachland branch, Canadian Red Cross Society, were re-elected at the annual meeting held here.

They are Mrs. C. T. Redstone, president; Mrs. A. Smalls, vice-president; Mrs. V. Milner-Jones, treasurer; C. C. Ingalls, secretary and auditor; executive, Mrs. F. E. Wright, Mrs. J. Cameron, Mrs. C. Duquemin, Mrs. E. Young, V. Milner-Jones.

Total membership for 1948 was 206, the president reported. At the request of Col. M. D. Robertson, Victoria, members will make arrangements for the blood donor clinic to visit the district early in the spring. It was decided not to send a delegate to the provincial council meeting in Vancouver February 17-18.

A supply cupboard, which is not being used, will be loaned to the handicraft club to store tools.

Mrs. C. T. Redstone was hostess and served tea.

with some interesting family films he had taken himself.

George Elliot conducted a spelling contest and the finalists were Mrs. Stowe, Mrs. King and J. McCoubrey.

A contest which required a considerable amount of knowledge of the different varieties of apples, was won by George Edmunds, and T. D. O. Duggan.

The members of the Women's Institute supplied a pork and bean supper at the conclusion of the evening.

The opening night of the volleyball league, which was to have commenced on Monday, January 24, was postponed to January 31, due to the cold weather.

The league is composed of six teams, five from Winfield and one from Okanagan Centre.

Mr. E. J. McCarthy is a patient in the Kelowna General Hospital.

## EAST KELOWNA GUIDES ENJOY TOBOGGAN RIDE

EAST KELOWNA—The East Kelowna Company of Girl Guides, accompanied by their leader, Mrs. H. Hewlett, spent Sunday afternoon last enjoying toboggan rides.

Mrs. C. Porter and Mrs. G. D. Fitzgerald provided the transportation.

## MINISTER APPLIES PARABLE OF THE TALENTS

Rev. Gordon Smythe, shown above addressing his congregation at United church in Halliburton, Ont., is applying parable of the talents in an effort to speed the raising of \$3,000 for the church's renovation fund by June 20. About 100 members of his congregation each received a \$5 bill as they left an evening service recently. Attached to the bills were two papers, one a summary of the parable and explanations of the way the church's fund was to be used, and the other a list of suggestion for increasing the \$5. "It is not a 'smart Alec' trick but a venture of faith," said Rev. Smythe. "The money was borrowed from the bank in the minister's name."

## Over the fence

By W. L. MacTavish

Who does the planning in a planned economy?

Well, on the top policy level, presumably the government. A government is made up of men who have won their way up through politics. They are not necessarily itted (to put it mildly) to handle the complex business problems represented by the entire agricultural, industrial, transportation and financial interests of the country.

On the second level, there are those who must direct the execution of top policies, to bring them into effect. These would be, presumably, the deputy ministers and bureau directors. And under them the army of civil servants—multiplied in number because of the requirements of a planned economy. These would extend right down to the man who has to pass on your application to put up a new shelf over the kitchen sink, or the man who tells you whether to plant apple trees or apricot trees in your orchard.

Do you think there would be so much transcendent wisdom represented in such a collection of planners that the whole economy of the country could be trustfully placed in their hands? Power to set all wages, power to set all prices, power to tell the farmer or the orchardist what to grow and how he can sell it, power over all finance and insurance and transportation and manufacturing and medicine and everything else?

That is what the socialists really mean when they talk of a planned economy. Every little control means more control, in a planned economy. The conditions of Russia today are the end result of such planning. Are they suited to Canada and Canadians?

\*\*\*

(The views of W. L. MacTavish are presented in this newspaper weekly under the sponsorship of the British Columbia Federation of Trade and Industry.)

## OLD LANDMARK AT WESTBANK GUTTED BY FIRE

WESTBANK — Westbank lost an old landmark on Boucherie Flat Friday morning, when the large log-cabin on Mrs. R. A. Pritchard's property caught fire and within a matter of minutes was reduced to ashes. Lost also was a considerable quantity of onion seed belonging to Chen Yu and valued at \$800, as well as stored vegetables.

Lee Sing, himself a familiar figure, having been in the district for some forty years, had occupied the cabin recently, and lost everything he owned in the fire. The Westbank Board of Trade, learning of Lee Sing's plight in losing money and other belongings, opened a subscription list the same day, and by evening \$80 had been subscribed.

The cabin, built some thirty years ago by the Gellatly family when that property belonged to them, had originally been two cabins. A few years ago it was incorporated into one large cabin, and in its destruction Mrs. Pritchard has lost roomy accommodation for help on her lakeshore farm.

It is understood that the fire started from a overheated stove-pipe and that Lee Sing, in an attempt to heat it out, brought down the pipe instead, thus spreading the fire so that it got beyond control.

## NEW DIVISION ENGINEER NAMED FOR INTERIOR

Appointment of J. Conrad, of Vancouver, to the position of division engineer, Canadian National Railways, Kamloops division, with headquarters in Kamloops, has been announced. He succeeds Murray M. Churchill, retired. Mr. Conrad's territory includes the C.N.R. main line between Vancouver and the Alberta boundary; also the Okanagan subdivision, Kamloops to Kelowna.

Born at St. Moritz, Switzerland, Mr. Conrad was educated in primary and high schools there. He later attended technical school at Coire, Switzerland, and took special courses at the University of Zurich, following which he did post graduate work in civil engineering at universities in France, Germany and Italy. Between courses he gained practical experience on highway construction.

Coming to Canada in 1926, Mr. Conrad joined the Canadian National Railways' engineering department, Vancouver, in 1928. Since then he has been employed a bridge engineer, assistant bridge engineer, instrument engineer, assistant bridge engineer and assistant district engineer, and relinquishes the latter to assume his new post.

# MRS. C. R. REID HEADS KELOWNA CANCER SOCIETY

Mrs. C. R. Reid was unanimously chosen president of the Kelowna Branch of the Canadian Cancer Society, at the annual meeting held Monday evening in the board room of B.C. Tree Fruits. She succeeds A. H. Povah.

Dr. W. J. Knox was again chosen honorary president, and Mrs. E. Poole was elected vice-president.

Other officers are secretary, Mr. F. Willis; treasurer, Mr. J. M. Dunlop; and auditor, Mr. F. Willis.

Board of directors are Mrs. F. Thornloe Jr., R. E. Archer-Houlton, Mrs. Van der Vliet, R. J. Marshall, Mrs. J. Cushing, E. Magford, Dr. Walter Anderson, Dr. Helen Zeman, Mrs. A. H. Horn, V. Franks, C. R. Bull, C. R. Reid, Mrs. K. Tallyour, G. MacKay, and A. H. Povah.

# MRS. G. ELLIOT HEADS LIONS' WOMEN'S GROUP

Mrs. G. A. Elliot was elected president of the newly formed women's auxiliary to the Kelowna Lions' Club. The initial meeting was held recently at Mrs. Elliot's home on Sutherland Avenue.

Other officers elected were Mrs. P. H. Meek, secretary; and Mrs. Reg Foote, vice-president.

# PARENT TEACHERS' GROUP HOLDS CARD PARTY

The Kelowna High School was the scene of the Parent-Teachers' Association second card party of the winter season last Friday.

Both court-whist and bridge were played under the direction of C. Bruce and E. Rosenau, with Mrs. V. Varney, president of the PTA, presenting the prizes.

Mrs. V. I. Roe took ladies' first in bridge, with Mrs. M. Evans following top cards in the ladies' whist. P. McCormick took first prize in gentlemen's bridge, and C. E. Sladen was high in gentlemen's whist. The consolation bridge prize was won by Mrs. Vera Smith, and Mrs. O. Schlauch took the consolation in whist.

Following the games, refreshments were served.

The next PTA meeting will be held on February 14, instead of the first Monday of the month.

Bob Lennie was host Friday at a skating party on Okanagan Lake outside his parents' home on Abbott St.

# Talk on British Poet Given Members of Westbank W.I.; Plan Valentine Tea Feb. 22

WESTBANK—In her usual interesting manner and by means of reading excerpts from a number of poems, Mrs. T. L. Dobbin gave members of Westbank Women's Institute a talk on "Browning" at that body's January meeting last week.

The speaker brought out the poet's philosophy and creed, his humor and love. Browning's mastery style was touched on also, and the talk proved all too short for the interested audience.

During the business session which occupied the first part of the afternoon, plans were made for the annual Valentine Tea and whist drive which, in the past, has been held in aid of Kelowna Hospital. This year the joint affair will be held on Tuesday afternoon and evening, February 22 and will take the place of the regular monthly meeting. Mrs. A. C. Hoskins will convene for the tea, and assisting her will be Mesdames Beck, Brock, G. Johnson and Neal.

It was decided, in view of recently instituted government hospital insurance, to share the proceeds from the tea and whist drive. The hospital auxiliary, which now takes charge of kitchen equipment and supplies, will receive \$15 and the balance of proceeds, less expenses, will be to the old people's home in Kelowna.

Howard Thompson, of Kamloops, is a guest for several days at Ellis Lodge.

Mrs. F. N. Gisborne will be hostess tonight at a bridge party in her Riverside Avenue home.

Mr. Douglas Hubbard left the city on Tuesday for Greenwood, where he has been transferred by West Kootenay Power and Light Company. He will be joined in a week's time by Mrs. Hubbard, and their two daughters.

Mr. and Mrs. L. Gaddes, of Grand Forks, are visitors to the city, guests at the home of Mrs. I. Parkinson, Abbott St.

Mr. and Mrs. Percy Harding were hosts Monday evening, when they entertained at a dinner party for 16, at their home on Glenwood Ave.

A. R. Greenwood, of Revelstoke, is a guest at Ellis Lodge.

Everything Double . . . Even Appendicitis

Agnes, left, and Maude Mayes, five-year-old twins of Belmont, Ill., agree on everything including appendicitis. Mutual congratulations are in order after their operation. The girls have gone through mumps, chicken-pox and pneumonia—always simultaneously.—Central Press Canadian

# Diagnostic Clinic For Valley Main Objective of Cancer Society

The Conquer Cancer Campaign conducted in Kelowna last year exceeded the \$2,500 quota by 60 per cent, A. H. Povah, president of the Kelowna branch of the Canadian Cancer Society, stated at the annual meeting held last Monday. Total of \$4,246.25 was raised and forwarded to the Vancouver headquarters, Mr. Povah stated.

Mr. Povah pointed out the Okanagan Valley had been divided into two regional councils, North Okanagan, including Kelowna, Vernon, Armstrong and Salmon Arm; and South Okanagan, including Summerland, Penticton and Oliver. The object of this is to exchange views with other units, and to co-ordinate the work in the valley, he said.

"Our unit has for several years had three main objectives," stated Mr. Povah, "and these have been yearly brought to the attention of the provincial council in Vancouver. They are: a cancer diagnostic clinic for the valley; free biopsy service to cancer patients; financial aid to borderline cases; or those unable to meet the expenses of going to a clinic. These objectives are being realized," he stated.

Going further into the question of getting a diagnostic clinic set up in Kelowna, Mr. Povah said that Dr. O. H. Warwick, executive director of the Canadian Cancer Society, had been asked to undertake a survey of cancer requirements in B.C. On the basis of his report, which will be given at the council's meeting in Vancouver next week, the committee will outline a program for the coming fiscal year. It is expected that Dr. Warwick will recommend the setting up of diagnostic clinics in several parts of B.C., and that consideration be given to those patients who will be unable to meet the financial requirements.

In the meantime the foundation will be sending three doctors, one of whom will be Dr. A. T. Henry, noted cancer specialist, for the purpose of discussing plans with the medical society, for the setting up of a diagnostic clinic in District No. 4.

Dr. W. F. Anderson stated that all the Kelowna doctors are highly in favor of having a diagnostic clinic in Kelowna, and said they would do all they could to help.

# KITCHEN FUND FOR HOSPITAL TOTALS \$99.75

Mrs. E. C. Maile, treasurer of the Women's Auxiliary to the Kelowna Hospital, reported that \$69.25 had already been received as donations for the auxiliary's kitchen fund, at a meeting of that group held Monday afternoon in the Board of Trade rooms.

A further \$30 was given to the fund from proceeds of the gift case, making the total amount to date, \$99.25.

Mrs. Maile stated that no receipts for donations under \$5 would be sent, unless requested. Donations may be sent to her at 235 Beach Avenue.

Miss E. Stocker, matron of the Kelowna Hospital, reported that conditions in the hospital kitchen were in a "deplorable state," and listed a baker's table, coffee urns, trucks for trays, and a small table, as a few of the most necessary appliances. She also said the kitchen and the nurse's dining room would be repaired shortly.

Miss E. Taylor was appointed to replace Mrs. C. R. Bull, who is resigning as a representative of the Hospital Women's Auxiliary on the hospital board.

Miss E. Miller, was appointed as press representative.

Miss Taylor, who is also the auxiliary member in charge of the library, reported that late issues of Good Housekeeping, Cosmopolitan, and Redbook are very low, and said any donation of any magazines would be welcome.

Chicken Turnovers made with Magic

Combine and chill 1 1/2 c. finely-diced cooked chicken, 1/2 c. medium-thick white sauce. Mix and sift into bowl, 2 c. once-sifted pastry flour (or 1 1/2 c. once-sifted hard-wheat flour), 3 tap. Magic Baking Powder, 3/4 tap. salt, 1 lbs. granulated sugar. Cut in finely, 3 the shortening. Mix 1 beaten egg and 1/2 c. milk. Make a well in dry ingredients, pour in liquid and mix lightly with a fork. Roll dough out to 1/4" thickness; cut into 4" squares. Place about 2 the chicken mixture on each square, near corner. Fold dough over diagonally, making triangles. Seal edges by pressing with fork tines; prick tops. Bake on greased pan in hot oven, 450°, 15 min. or until golden brown.

### Hither and Yon

Messrs. P. Rankin and S. M. Lee returned to Kelowna last Friday from Wilson's Landing. The latter shot a huge cougar on Mount Pelic the same morning. The animal was a fine specimen and measured eight feet, six inches from tip to tip.

Mrs. G. R. Johnson, 845 Glenn Avenue, was admitted to the hospital early this week for an operation. She expects to be back home within two weeks.

Mrs. H. V. Dawson will be entertaining at two tables of bridge this evening in her Maple Street home.

Mrs. F. E. Hyland entertained at three tables of bridge on Wednesday evening in her home on Maple St.

Mrs. P. Tempest, and Mickey, of Victoria, are guest for several days at the Royal Anne Hotel.

Mr. and Mrs. R. Stewart entertained in their Harvey Avenue home Saturday evening on the occasion of their twenty-fifth wedding anniversary.

Rev. A. E. Kristjansson, of Blaine, Washington, is a guest at Ellis Lodge.

Mrs. P. H. Meek will be a tea hour hostess tomorrow, when she entertains in her Marshall St. home.

"Alfie" Ring has returned to his home in Southey, Saskatchewan, after visiting friends and relatives in the city for a short time.

Air Mechanic 2nd Class, Bruce Brown, of the Naden Base at Esquimalt, will visit his parents, Mr. and Mrs. Rupert Brown, for the coming month. From here he will report at Halifax for further training.

### LOCAL VARIETY PROGRAM WILL AID PIANO FUND

The people of Kelowna will have the opportunity of listening to their own artists at the high school auditorium on Monday evening, February 7, when the Business and Professional Women's Club sponsor a variety concert in aid of the grand piano fund.

Kelowna has been well-known for

its cultural development since the inception of the musical festival organization over 25 years ago.

Such names as Isabel Murray Campbell, Ernest Burnett, Phyllis Trenworth, Mrs. Ethel McGee, the Walrod - McLennan - Dunnway trio are among the well-seasoned musicians, while the younger citizens will be exhibiting orchestral and dancing numbers, as well as musical numbers. Meddame Hilda Tait and Esther Thompson are a well-known comic team who will put on a skit, "From the Blossom and Henry Series." Dr. Beadle will conduct the choral society choir, and along with Mrs. A. J. Pritchard, will accompany various numbers. Mrs. G. D. Cameron will accompany the choir.

A rare treat is in store for those who attend.

### MISS M. DAVIES AGAIN HEADS LOCAL NURSES

Kelowna Chapter Looks Back On Active Year; Dance and Sale of Work Successful

Miss Marion Davies was re-elected president of the Kelowna Chapter of the Registered Nurses' Association of British Columbia, at the annual meeting held recently in the Nurse's Residence.

Other officers elected for the coming year are: vice-president, Mrs.

H. M. Trueman; secretary, Miss Sheila Blackie; treasurer, Miss Gwen Oxley; educational, Mrs. E. Shockey; Mrs. M. Werts; and Mrs. W. Drinkwater; press and Canadian Nurse representatives, Miss Louise Wolcott and Miss Jean Gardner.

The president, in her annual report, stated that both the annual dance and a sale of work had been held during the past year, both of which were successful. She stated that \$200 had been given to assist needy local cases with hospital and medical expenses.

**Collect Clothing**

Miss Davies also stated that 300 pounds of good used clothing had been collected for European distribution, and each month a food parcel is sent overseas. During the spring floods the chapter contributed to flood relief, and again donated money to the war memorial fund. A donation was made toward the expenses of the R.N.A.B.C. meeting at Penticton, and also a donation to the local housekeeping service.

The treasurer's report showed a balance of \$400, and of this \$200 was set aside to establish a bursary for post graduate work, and \$100 was voted for the purchase of hospital equipment.

A vote of thanks was extended by Miss Welthy Grigg to Miss Davies and her assistants for their untiring efforts during the past year. Refreshments were served.

Mr. and Mrs. R. Stewart have their son, Jim, visiting them for a short time from Berkeley, California.

workers in the schools.

**Five Regions**

"In order that these services may be made available to the public," Mr. Clement said, "the province is divided into five regions." Region one has its head office in Victoria; region two, in Vancouver; region three, in Vernon; region four, in Kelowna; and region five, in Prince George. There are twenty-six districts of the province. Means of transportation are many and varied. In the northern regions workers have used airplane, jeep, dog-sled, and snow-shoes to reach their clients and in the coastal area the department owns a launch.

Mr. Clement touched on a few of the lighter experiences in his work, mentioning the applicant for pension who, "was born in da lousy Russia," and who wanted, "to be married by da old age penishun." He then discussed a specific case of a woman who was in that it illustrates how the worker endeavors to draw on the resources of the community such as the public health nurses, the schools, service clubs and even helpful neighbors, when this is considered wise.

"This was a case of neglect that took place in another district. The social worker was called into the home by the public health nurse who felt that the five small children were not being adequately cared for. The mother seemed incapable of keeping her home clean or of feeding and caring for them. They were indescribably dirty. The worker endeavored to encourage the mother to do better and the father to be more helpful. However, despite the efforts of the worker, the mother eventually left the home. The father ultimately procured the services of a housekeeper and the family was kept together. In the meantime the public health nurses assisted in having the children's health needs cared for, the school authorities were approached regarding the children's school records and took an interest in their welfare, and the neighbors helped to clean the home and care for the children.

In this case, apprehension of the children was considered but it was felt that if there was any possibility of the father providing the care the children required, it would be advisable to give him all possible support. Thus the unity of the home was guarded and the welfare of the children protected.

Under the department of the provincial secretary is the mental hospital and the infirmary. The social worker in the district is responsible for preparing a detailed social history on the patient in the mental hospital in order to assist the psychiatrists with their diagnosis. He also visits the patient when he is home and on probation from the mental hospital in order to help him adjust to society.

The attorney general's department is responsible for the juvenile courts and the boys' and girls' industrial schools. The schools both have social work departments and the social worker in the district works in close co-operation with the

department.

## CONSTRUCTION IN RURAL AREA SHOWS DECLINE

January Building Permit Total Only 50 Per Cent Compared With Last Year

Construction in rural areas during January amounted to less than fifty per cent compared with the corresponding month last year, according to O. V. M. Ruxby, building inspector for Kelowna regulated area. Building permits were issued to the value of \$41,175, compared with \$91,475 in January, 1948.

Total of 21 permits were granted, compared with 24 in the same month last year. Individual permits were granted to the following for construction of new homes:

C. L. Keady, \$5,000; C. E. Coxon, \$4,000; Joe Channar, \$2,500; John A. Hoffman, \$6,000; A. G. W. Elston, \$4,500; L. W. Ivens, \$4,000; J. W. Murdoch, \$1,500.

For additions to residences: R. Knox, \$250; Archie Montali, \$2,000; George Ross, \$500; H. G. Shannon, \$400; P. Lindahl, \$300; Weldon Mathe, \$500.

For garages: John A. Hoffman, \$1,000; J. H. Dirk, \$1,000; Weldon Mathe, \$5,000; J. Murdoch, \$150. / Philip Avenhays, shed, \$200; Mrs. R. Durbin, pickers' shack, \$300; Okanagan Air Services, hangar, \$950; Ben Mellott, move building, \$25.

## CITY TO BEAR EXPENSES FOR CAMPBELL FUND

The City of Kelowna will take care of the expenses incurred by the Kelowna Board of Trade in connection with the Sir Malcolm Campbell Fund.

Total expenses, which were kept to a minimum, amounted to \$329.79. Since Sir Malcolm's death, all the money has been refunded to donors. When the matter was discussed at Monday night's council meeting, aldermen unanimously approved the move.

**TAG DAY AND GRANT**  
Kelowna Junior Band Association has requested City Council for a tag day in addition to a grant. The application was filed and will be dealt with other requests at a later date.

## STEVE PANOFF FATALY HURT UNDER TRACTOR

An Okanagan Valley resident died on Monday at Armstrong from injuries received the same day when he was crushed under a tractor.

The dead man is Steve Panoff, whose funeral service was conducted here yesterday by Rev. D. M. Perley from the chapel of Day's Funeral Service. Burial was in Kelowna cemetery.

Mr. Panoff, who came to the Valley from Alberta in 1945 to reside with his daughter, Mrs. Fred Maranda, Okanagan Mission, and his son, Peter Panoff, of Armstrong. His son was driving the tractor along Okanagan Highway near Armstrong and in moving to the side of the road to allow a car to pass, the tractor overturned in the ditch, pinning Mr. Panoff underneath.

Born in Bulgaria, Mr. Panoff was in his 63rd year. His wife preceded him in Monrovia, Alta., in December, 1947. He was married to Mrs. W. Kelke, Armstrong; A. Gerard, Okanagan Mission; and M. Washuk, M. Johnston, A. Haugan and A. Pronich, all of Kelowna.

## 1 PRO-CON MAY

will go back in again, and you may as well face facts. It is no use burying our heads in the sand," he declared.

"If we elect a candidate Friday, the Liberals will be up in arms, and O. L. Jones will sit back like a cat that has just finished eating a canary. The only chance we have of beating the CCF is to have one candidate, and a strong one. We must be careful who we support," he concluded.

Mr. Weddell revealed that he would not accept the presidency of the Yale Pro-Con Association again. He has shouldered the burdens of the organization for many years.

Delegates chosen for the nominating convention are: Bear Creek, C. H. Dain; Benvoulin, A. Hardy; East Kelowna, A. Widmeyer, G. Fitzgerald; Ellison, W. Bulman; Glenora, J. N. McPherson, Ted Dendy; Okanagan Centre, S. Lands; Rutland, E. Mugford, R. White, F. H. Stevens Jr., J. Fielder, F. H. Stevens Sr.; South Kelowna, Miss C. Beath, H. C. S. Collett, J. H. Horn; Winfield, F. Williams, Mrs. F. Williams, Mrs. J. Seaton.

Kelowna: J. C. Kennedy, W. Lloyd, Jones, C. G. Beaton, W. Metcalfe, Mrs. J. N. Cushing, W. A. C. Bennett, T. McLaughlin, Mrs. W. McLaughlin, C. E. Campbell, D. K. Johnston, C. E. Beaton, Mrs. R. Gordon, Mrs. J. J. Gordon, Mrs. W. A. C. Bennett, C. Conies, Mrs. Bert Johnson, Miss L. Riggs, W. Beaver, Jones, W. Gordon, Mrs. R. Stirling, J. Galbraith and R. Stirling.

## 2 SICAMOUS MAY

From Page 1, Column 3

ston, would make it into a floating hotel, adding it can be berthed at the foot of Mill Avenue, while Gordon Herbert would anchor the steamer off the shore of his property in the vicinity of Manhattan road.

Mayor W. B. Hughes-Games asked council if it wanted to officially ask the CPR to turn the vessel over to the city. When put in the form of a resolution, it resulted in a tie vote. Aldermen J. J. Horn, R. Prosser and R. F. L. Keller being opposed, and Aldermen W. T. L. Roadhouse, J. J. Ladd and Dick Parkinson being in favor. It was up to the mayor to cast the deciding vote. The matter was again discussed, and when aldermen suggested a second vote, Alderman Keller sided with Messrs. Ladd, Roadhouse and Parkinson, with Aldermen Horn and Prosser opposed.

Council, however, is no nearer solving the problem. Next week it has to decide who will get the vessel—providing it is willed to the city.

The ex-servicemen—Wilson, Cox and Johnston—waited on council and outlined their proposal. They stated the vessel would be used for the civic centre property, and they thought it would be a unique tourist attraction for the city, but it would be necessary to berth it at the foot of Mill Avenue, near the present ferry wharf.

Council, however, pointed out the site would be contrary to the zoning by-law; that a frame building is not allowed in first class fire limits; that the lake-shore property is part of the civic centre property; and as a parking thought, did not believe the CPR would be willing to allow the vessel to be used for commercial purposes.

An alternative site, the Vets pointed out, would be at the foot of Bernard Ave. Again council pointed out this property is designated for park purposes, and cannot be changed unless referred to ratepayers.

Alderman Parkinson said he had conferred with the Aquatic president, Dr. Walter Anderson, and the organization wants the Sicamous held in the name of the Aquatic as it may replace the present barge for seating purposes.

**"White Elephant"**  
Several aldermen thought the barge already an eye-sore, and that if the Sicamous was used, it would have a "white elephant" on its hands.

Alderman Parkinson replied that the city or some other organization help us (the Aquatic) out so that we can get additional seats, we may as well forget about future Regattas.

Alderman Parkinson thought the Aquatic would be able to salvage a considerable amount of material, and sell it as junk.

## 3 TRUSTEES TAKE

From Page 1, Column 7

granted, the teachers wrote the board asking for an additional \$200 per annum, and our reply dated February 14 was:

"(1) That when the Kelowna District Teachers' salary committee met the trustees at a special meeting on November 11, 1947 they asked the board to implement the Vernon award of November, 1946 in full as at January 1, 1948.

"(2) The trustees granted this request in good faith, having received an assurance that the teachers would be quite satisfied if they received the last 25 per cent payment on the award in January, 1948. Instead of having to wait until September next and that no further demands would be made by 1949.

"(3) Under these circumstances, the trustees regret that they are unable to accede to your request for a cost of living bonus at this time."

"The board has instructed me to say that they will welcome an opportunity to meet the members of the teachers' salary committee and have called a special meeting of trustees for Tuesday, February 17 at 8:30 p.m. which your committee is invited to attend."

"On June 26, 1948, the trustees met the teachers' committee who presented a request for an increase of \$400 per annum, and asked that negotiations be opened in the fall. Then on October 28 the teachers again met the trustees and put in their demand for the federation scale. There were two meetings with the teachers in October and November, 1948.

**Cost of Living**  
"Subsequent to a meeting of the Valley Trustees Association we, in line with other boards, wrote our teachers' association as follows, under date of November 10th, 1948:

"The board is unable to accede to the request of the teachers for increases in salaries as they feel the present salaries have kept pace with the cost of living increase, and suggest should arbitration become necessary, such arbitration be on a valley-wide basis."

The teachers replied to this, in part:

"In view of the fact that an arbitration is pending in Penticton, we are willing to defer action on this request for arbitration until after the award is made in Penticton, providing that such decision be handed down before December 31, 1948."

"On December 17 the teachers again wrote:

"In view of the fact that the Penticton arbitration will not take place until January 7, 1949, this is to inform you that we are willing to withhold negotiations until after that date. We would request that we meet the board within 15 days of the handing down of the arbitration award at Penticton to negotiate on the basis of that award. Should we fail to reach a satisfactory agreement with you by negotiation, we wish to carry out arbitration proceedings before February 14, 1949."

"Again on January 10th the teachers wrote:

"Since the Penticton arbitration award was handed down on January 8, and since we believe the teachers of School District No. 23 will accept the principle of the award, we hereby respectfully request to meet the

## BROWN'S PRESCRIPTION PHARMACY

heard before January 23, 1949, to negotiate a new salary schedule for the teachers of this district."

**1949 Salaries Only**  
"The board's answer was that it was committed not to negotiate a salary schedule but only the 1949 salaries."

"Furthermore, that as the Penticton school district was appealing to the supreme court, no useful purpose could be served by a meeting until a decision had been reached."

"The board emphatically denies the statement of the teachers that the trustees declined to meet them; an assertion which is contrary to the facts, as our minutes show that the trustees have discussed salary matters with the teachers' committee on at least eight separate occasions within the last 18 months. Furthermore, at two of these meetings, C. D. Evans, the Teachers' Federation Secretary, was also present."

**4 NO LET-UP**

From Page 1, Column 4

service across the lake. The Penticton (the Lequime is undergoing annual overhaul) has been keeping a channel clear on its own, though a tug and barge have been used to break the ice.

Traffic over the lake via the ferry is average for this time of the year, a public works spokesman advised the Courier. However, there is a fairly heavy movement of apples from the west side to packing houses and juice plants here to beat any possible tie-up of ferry traffic.

Temperature of the water in the lake this morning was reported unofficially at 30 degrees.

Coal supply is still seriously short,

dealers reported, with no immediate indication when the supply can cope with the heavy demand. Local dealers are still on a quota but demands during the unprecedented spell are higher than average.

A critical power situation is reported looming in Trail. A high official there of the West Kootenay Power and Light Co., which also supplies Kelowna's power, has urged all power users to co-operate with the company in its endeavor to economize in the use of power.

A McKinn, local superintendent of West Kootenay Power and Light Co., said this morning there is no serious threat of a power shortage for the Kelowna area at the present time, but he suggested local users conserve as much power as possible.

In an official statement later today, R. W. Diamond, Trail, West Kootenay president, urged economy of power by all users. He said owing to abnormal weather condition, the water in storage in Kootenay Lake has been drawn on heavily.

"The point now has been reached where more serious curtailment is threatened," he concluded.

Temperatures last month dipped below the zero mark four times with a low of nine below recorded on the night of January 23.

In his official report Mr. Walrod advised the mean maximum for the month was 25 and the minimum 10.13. Precipitation, measured as water came to .93 of an inch. Since the fall was actually snow, this means nearly a 10-inch fall was recorded during the month.

Maximums and minimums and precipitation for the past week were:

Jan. 27	27	9
Jan. 28	22	10 .085
Jan. 29	27	28
Jan. 30	29	19
Jan. 31	30	14
Feb. 1	31	15 Tr. s
Feb. 2	26	13 Tr. s
